295374

USEFUL INFORMATION

Reservation: the time slot does not guarantee departure at the chosen time as the service may be subject to delays due to external and unpredictable factors. The service is however guaranteed.

Free: all free tickets (disabled and children under 1.20m) are exclusively issued at the ticket offices in the various stations.

Refund: in the event of bad weather, delays or impossibility of using the purchased travel ticket, it will not be possible to have any refund.

Return: return-only tickets can only be purchased at the mountain station. While the descent time is free.

Rides: guaranteed every 30 minutes. In case of heavy influx also every 5 minutes. The duration of the ride is 5 minutes for the first section and 10 minutes for the second section.

Restaurants: two refuges and the "Skywalk" lounge bar on Monte Baldo; a restaurant at the intermediate station of San Michele.

Parking: the underground parking of the cable car in Malcesine closes at 19:30. The automatic cash machines are inside the same on the -1 floor.
